New This Year: Because of COVID, we are limiting each camp to 120 campers. Positions will be filled on a first come, first served basis so you are encouraged to sign up early. You will be notified if your camper has a place at camp. We will keep a waiting list. Attempting to sign up on the first day that the camp begins is discouraged because Day Camp will possibly already be filled. Campers will wear masks unless eating, swimming, or other such activities. . Because of limiting camper numbers this year at UPBC, and to give everyone the best chance to attend UPBC, your child (or children) will only be accepted into one UPBC program to begin with. After May 1, if there are still openings, we will permit you to register your child for a second program. About two or three weeks before the start of your Day Camp, you will receive a letter explaining the latest mask, social distancing, and other requirements." Call us if you have questions.
